PUBLIC INFORMATION NOTICE

To be eligible for inclusion on the Registry of Certified Organic Farms:

1. A recognized agency/organization must certify your organic farm properties.
2. A copy of the above agency's certification document must be included with this application. If document may not be copied, provide your producer number instead.
3. Agricultural products must be produced for commercial sale.
4. Organic farm properties must be marked in a manner so that pesticide applicators on adjacent properties will easily recognize your properties as certified organic farms.
5. This application must be submitted by **March 1** of each year.
6. Registry information will be supplied to all commercial pesticide application firms licensed in agricultural, right-of-way, or aerial application.

PROPRIETOR STATEMENT

I have read the Public Information Notice above. I understand that providing false information on this application will result in denial or deletion of my farm from the Michigan Department of Agriculture registry. I attest that the information I have submitted is true and accurate, to the best of my knowledge.
